Subject: J&K Visit

Dear Team

As per our previous discussions regarding SITC of Commercial Heat Pumps at different places like Hotel Kuber Gulmarg , MS mall Residency Road , City Mall LalChowk Srinagar, etc , kindly arrange five days plan for visiting these sites , moreover for you information it is pertinent to mention that these hoteliers are fed up with old diseases based boiler systems and they wish for earlier conversion for a system which will save there expenses and will also serve there need , I hope you will plan an earlier visit so that this virgin market could be explored at an earliest possible, moreover it is suggested that if we can make one mobile van fitted with heat pump so that we can give live demo of our product on site to boost customer base and make out marketing easy and instant .

I hope you will consider our request
